Junior Beef Carcass Contest

1. Only beef animals sold in Junior Livestock Auction, USDA tagged and sent to Fair designated processor will be eligible for carcass premiums.
2. The purpose of the carcass evaluation is to provide information to exhibitors, parents, and leaders so that they may be able to do a better job in the future. We are witnessing many changes and different opinions in the beef industry today as to what constitutes the ideal market animal. Variations in yields of retail cuts among beef carcasses are accounted for mainly by the amount of fat that must be trimmed in preparing the cuts, and thickness and fullness of the muscling.
3. Awards are sponsored by the Tahoe Cattlemen's Association
