# @the Grounds Letter

Welcome to the 85th annual Placer County Fair @the Grounds!

In honor of the 85th year we have many ways for the community to be involved and experience all the fun that Placer County has to offer! Whether you are a veteran contributor to the Placer County Fair, or this is your first-time being part of this major event for our community, we welcome you to @the Grounds

New to the 85th Placer County Fair, ALL Arts & Crafts and Commercial vendors will be inside the air conditioned Roebbelen Center. Don't worry about the hot sun, visit the vendors, enjoy some food and light entertainment while staying cool indoors this year! Don't worry there will still be plenty to check out throughout the main campus from Magicians to a Family circus to carnival rides and fair food treats, we have it all.

Love attending the Placer County Fair? Then you will love participating as well! Community involvement and participation is what makes the Fair so special. Did you know that you can show off your talents? If you craft, bake, knit or have a green thumb, we would love to see your creations in one of the many Still Exhibit competitions held in Jones Hall. Can you cook a good rack of ribs? Grab you neighbor and put a BBQ team together and compete in the 3rd annual Placer County Rob Cook-off where winner takes all!

Sponsorship and volunteer opportunities are plentiful both before and during the Fair days, so come on out and see how you can help be part of creating long lasting memories. We look forward to working with our partners, supporters, neighbors and most importantly, you... during the 2023 Placer County Fair. Invite your family, friends, neighbors, co-workers or even plan a date night out at the Fair.

The summer fun starts here at the Placer County Fair June 22-25!

- Class - A group of items that are judged together
- Division - A group of classes with a similar theme
- Show/Category - A group of divisions that make up a category

## Adult Judging

All Adult categories will be judged using the **American Judging System**. In the American judging system, each entry in a class is judged in comparison to other entries in the class. Awards are given for each class with the potential for no more than one first, one second and one third place per class.

A Best of Division award is given in each division. This is selected from all of the first place class winners in that division.

A Best of Show award is given in each category (unless otherwise noted). This is selected from all of the Best of Divisions in that category. The Best of Show award may or may not be awarded based on number of entries.

## Awards

1. Placement of ribbons does not guarantee correct placing in judging. Only the official placing on the judging sheet constitutes the final placement.
2. Cash awards will be paid out within 60 days of the conclusion of the Placer County Fair.

# Adult Agriculture

## Agriculture Rules

1. The quality desired in agriculture & horticultural product exhibits is the quality that brings the best financial return in the commercial market.
2. Entry or container must be labeled with exhibitor name, division and class number.

## Egg Rules

# Youth and Teen Judging Overview

## Youth and Teen Judging

If a division is divided into age groups, the 15-18 years old age group (15-19 for 4-H) will be judged using the **American Judging System**. In the American judging system, each entry in a class is judged in comparison to other entries in the class. Awards are given for each class with the potential for no more than one first, one second and one third place per class.

The **Danish Judging System** will be used in all divisions not divided by age groups and in divisions with age groups 5-9 years old and 10-14 years old. The Danish judging system is based upon standards of quality for each type of product. In this system each exhibit is judged according to how well it meets that standard rather than how it compares with other exhibits.

The following guidelines shall be used by the judge(s):

Quality:	Score:
1st Place – Superior	90-100 %
2nd Place – Good	80-89 %
3rd Place – Average	70-79 %

A Best of Division award is given in each division. This is selected from all of the first place class winners in that division.

A Best of Show award is given in each category (unless otherwise noted). This is selected from all of the Best of Divisions in that category. The Best of Show award may or may not be awarded based on number of entries.

## Awards

1. Placement of ribbons does not guarantee correct placing in judging. Only the official placing on the judging sheet constitutes the final placement.

# Youth and Teen Agriculture

1. The quality desired in agriculture & horticultural product exhibits is the quality that brings the best financial return in the commercial market .
2. Entry or container must be labeled with exhibitor name, division and class number.
