The **JUNIOR LIVESTOCK AUCTION OF THE PLACER COUNTY FAIR** has been developed to educate the exhibitors in livestock marketing. This sale is made up of market animals that have been shown in the 4-H and FFA market shows. These animals are owned, raised, fed, and shown by the young people in these organizations. They have been judged by knowledgeable people and placed according to market quality into sale order. By supporting this junior livestock auction, you are contributing to the education of today's youth, the citizens of tomorrow.

## HOW THE AUCTION WORKS:

**REGISTRATION:** Buyers will be able to register at the sale ring to receive their buyer's number, sale order, and sale instructions.

**BIDDING:** As each animal is on the auction block, the auctioneer will ask for bids per pound (or per head for small animals and replacement animals). If you wish to bid on the animal, show your number. Whether you buy the animal or not, your bidding will help the sale. If you need assistance bidding, ask one of the ring assistants for help. Red-colored bids are asking for a resale purchase. Blue-colored bids are asking for a custom purchase. The highest bidder gets the animal.
