OFFICE OF THE GOVERNOR

California Agriculture Fair Season

On behalf of the State of California, it is my pleasure to welcome you to the 2023 California Fair Season.

California fairs have a very important role in their communities. Every year, millions of people gather at fairgrounds throughout California to celebrate time-honored traditions that reflect the diversity of our state. Each fair takes great pride in showcasing their community through unique performances, events and exhibits.

Livestock and other competitive exhibits demonstrate integral parts of agriculture that provide a link between the public and California's farmers and ranchers. By displaying local crops, crafts and livestock, fairs educate the community about our state's agricultural sector.

Thank you for your participation and dedication to our state and the agricultural community.

Sincerely,

Gavin Newsom

Welcome to the 85th annual Placer County Fair @the Grounds!

In honor of the 85th year we have many ways for the community to be involved and experience all the fun that Placer County has to offer! Whether you are a veteran contributor to the Placer County Fair, or this is your first-time being part of this major event for our community, we welcome you to @the Grounds

New to the 85th Placer County Fair, ALL Arts & Crafts and Commercial vendors will be inside the air conditioned Roebbelen Center. Don't worry about the hot sun, visit the vendors, enjoy some food and light entertainment while staying cool indoors this year! Don't worry there will still be plenty to check out throughout the main campus from Magicians to a Family circus to carnival rides and fair food treats, we have it all.

Love attending the Placer County Fair? Then you will love participating as well! Community involvement and participation is what makes the Fair so special. Did you know that you can show off your talents? If you craft, bake, knit or have a green thumb, we would love to see your creations in one of the many Still Exhibit competitions held in Jones Hall. Can you cook a good rack of ribs? Grab you neighbor and put a BBQ team together and compete in the 3rd annual Placer County Rob Cook-off where winner takes all!

Sponsorship and volunteer opportunities are plentiful both before and during the Fair days, so come on out and see how you can help be part of creating long lasting memories. We look forward to working with our partners, supporters, neighbors and most importantly, you... during the 2023 Placer County Fair. Invite your family, friends, neighbors, co-workers or even plan a date night out at the Fair.

The summer fun starts here at the Placer County Fair June 22-25!

Adult Code of Conduct

As the parent, quardian, leader or advisor of an animal exhibitor in the Placer County Fair:

I believe my child should demonstrate his or her own ability, knowledge, and skill as a feeder, fitter and show person of a show animal. I understand that parents, siblings, and leaders may assist their child/sibling except in any activity that enhances the placement of the animal while at the fair.

I will ensure that my child follows the competition rules, and does not use abusive, questionable or unethical techniques in the feeding, caring, fitting, or showing of any animals. I will ensure that my child does not resort to fraudulent, illegal or deceptive practices while fitting or preparing the animal for show and will follow withdrawal protocol.

I have read and understand all of the rules and regulations found in the Livestock Handbook.

I realize that my child is responsible for:

- The proper care and humane treatment of animals before, during, and after exhibition and sale.
- The production of wholesome food when the exhibit animal is designated for market.

I will conduct myself at all times to be a credit to my child's organization, chapter, club, school, community, and family. I will follow proper procedures and chain of command if there is a conflict. I will not post negative comments or conflict on social media.

I am aware that **responsible alcohol use** is allowed on the fairgrounds and I will limit my use of alcohol so that I set a proper example for my child and the children of others around me. I shall ensure that other adults are equally responsible in the use of alcohol around my child. I shall not use any drugs that are considered illegal at the federal, state or local level while on the fairgrounds.

I understand that direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect. I will not allow any person connected with my child's project to direct abusive or threatening conduct toward any show official. Protest rules can be found in the State Rules for California fairs at www.cdfs.ca.gov/fe.

I understand and agree that if I, my child, my child's supervisor or leader or any other adult or minor connected with my child's project or animal(s) break the rules, I will accept the final decision of the Placer County Fair Management regarding the disqualification of my child and or the animal, the loss of prizes, the forfeiture of auction participation, loss of future eligibility, and forfeiture of any monetary award(s).

I understand that my minor child will not stay overnight @the Grounds without their parent or guardian present.

I accept that these entries are subject to the rules and regulations as published in the official Livestock Handbook. I further declare that all statements made in connection with my child's entries are true.

I will remember that children participate to have fun and that the competition is for the benefit of youth, not adults.
